Tuesday

6:00 PM Intro to Agility Does your dog have what it takes to become the next agility star? Are you looking for a fun activity for you and your pup? This class is for beginners to see what agility is all about. In addition to learning how to safely navigate a variety of obstacles, dogs will learn fun skills that will help them in their future agility careers. The use of treats and toys is expected and encouraged in this class. **\$150**

7:30 PM Agility Skills and Drills

Develop teamwork with your dog while mastering various handling techniques and other useful agility skills. This class will be a combination of small course drills and full course sequences designed to help you better communicate as a team on and off the agility field. The use of treats and toys is expected and encouraged. Dogs must be able to perform all obstacles independently. Class is drop-in style with a purchased punch card. Must be actively competing or instructor approval. Punch card \$150

Wednesday

5:30 PM Practical Manners Obedience - All Levels (*6 months and up*)

This class covers the foundation of getting your dog's attention, getting them comfortable around other people and dogs without barking and/or jumping, walking nicely on a leash and getting in and out of the house, vehicle or building without bolting. They will also learn coming when called, sit, stay, wait and having proper manners in public and at the vet's office or grooming visits. You will learn tips and tricks to accomplish these behaviors using reward-based training. For those who have mastered the skills taught at the beginning level, we will work on longer sits, stays, waits and working off leash. No harnesses or retractable leashes allowed. Handlers must wear enclosed shoes (no flip flops or "croc" type shoes allowed). Bring plenty of small treats and bags to clean up after your dog. **\$150**

6:30 PM Puppy Obedience (*under 6 months*)

Get your new puppy started with some basic skills and commands such as sit, down, stay, and loose leash walking. Learn why it is critical to socialize your puppy the right way and what you can do to set your pup up for a lifetime of success. Topics to be discussed will include puppy biting, house breaking, coming when called, and crate training. Handlers must wear enclosed shoes (no flip flops or "croc" type shoes allowed). Please bring plenty of small, soft treats. Puppies with age-appropriate vaccines are welcome. **\$150**

Friday

6:00 PM Next Steps in Agility In this intermediate level class you will continue your dog's agility journey while having fun learning to work as a team. We will work towards obstacle independence, with a strong focus on conquering the weaves and teeter; as well as exploring techniques to improve your dog's focus and engagement with you. The use of treats and toys is expected and encouraged. Requirements: Intro to Agility or Instructor Approval. **\$150**

7:30 Beginner Skills and Drills Geared towards the beginning agility team, this class will help you develop teamwork with your dog while mastering various handling techniques and other useful agility skills. We will utilize a combination of small course drills and full course sequences designed to help you better communicate as a team on and off the agility field. The use of treats and toys is expected and encouraged. Dogs must be able to perform most obstacles, weaves and teeter can still require assistance. Class is drop-in style with a purchased punch card. Punch card **\$150**

****If you are new to Nana N Paws you must fill out our Application/Customer Agreement (available on the website or in our office) and provide proof of bordetella, distemper/parvo and rabies prior to enrolling in a class.
