(see individual class prices)

## Monday

**6:00 PM Obedience All Levels (6 months and up)** A more *traditional* approach to training, this class offers a structured approach to teach basic manners such as sit, down, stay, heel and recalls. Perfect for dogs who know the “basics” at home but need more distractions or older puppies/dogs who have not had a formal training class. Martingale or prong collars only with 6-foot leash. Enclosed footwear only (no flip flops or croc type shoes) **\$150**

**7:30 PM Canine Good Citizen™ (CGC) Prep Class** The Canine Good Citizen program was started by the American Kennel Club™ as a way of recognizing well-behaved dogs. Today, the test is open to all breeds of dogs and mixes (regardless of registration status) and serves as a method of showing off your accomplishments with your pup. The CGC skills are beneficial to those who travel, rent or compete in dog sports – as many hotels, apartments and even some insurance companies recognize the certification. In this class we will cover the skills that you and your dog need to pass the CGC test including loose leash walking, recalls, sits/downs and more! There will be an option to take the CGC test at the end of the class term for an additional fee. Dogs should be familiar with commands like sit, down stay and come. Buckle, quick release or martingale collar and 6-foot leash required. No harnesses, prong collars or head halters. **\$100 (optional testing \$15)**
